# I'm Free

Don't grieve for me,
for now I'm free,
I'm following the path God laid for me;
I took His hand when I heard Him call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, or play;
Tasks left undone must stay that way,
I found that peace at the close of day.

If my parting has left a void,
Then fill it with remembered joy;
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.

Be not burdened with time of sorrow,
I wish you the sunshine of tomorrow;
My life's been full, I savored much,
Good friends, good times, a loved one's touch.

Perhaps my time seemed too brief,
Don't lengthen it now with undue grief;
Lift up your heart and share with me,
God wanted me now, He set me free.
